

Dear NJPFVC Supporters.

Our organization continues to advocate for full-time public schools and virtual choice programs for New Jersey students. [National School Choice Week](#) is approaching and we would like to use the opportunity to amplify the need for more school choice options including virtual learning. You can help us and join the conversation by sharing your support during the week of January 21st-January 28th. Share why you believe NJ students and families need virtual learning options – tell your personal story or use the sample Facebook and Twitter posts below:
